

## IECnet Press-release

### IECnet adds new firm in Luxembourg

IECnet, the international network of independent audit, accounting and tax practices, is pleased to announce that it has a **new member in Luxembourg.**

Audit Central SARL is a professional service provider based in Luxembourg specializing in the fields of audit and assurance, internal audit, accounting and tax, advisory and related services.

Originally established in 2009, Audit Central SARL has experienced significant growth in response to their continually expanding and diversifying client base.

Audit Central SARL's team of qualified professionals delivers a high level of service and attention to detail which one can expect from a small company. Most members of the Audit Central SARL team achieved professional qualification as either certified auditor, certified accountant or certified internal auditor. Long years of experience in a large number of industries, in various legislations and economic environments and, not least, their portfolio of linguistic skills are the other ingredients of their way of doing business.

Audit Central is glad to join IECnet to further strengthen its international ties. *Audit Central joins the pool of excellent member firms of IECnet worldwide, increasing yet further the depth of local knowledge on offer to clients.*
